Carla Valadez,  
Director of Educator Standards  
1701 North Congress Ave.  
Austin, Texas 78701*Re: A Career in Teaching - ACP*

Dear Ms. Valadez:

PSJA ISD is looking forward to a collaboration with the Alternative Certification Program, "A Career in Teaching", in order to assist our district with its teacher shortages. This program will benefit our district and its continuing quest to find and maintain "Highly Qualified" teachers. Although there are other programs in the Valley, the need for quality teachers is critical. In our search for "Highly Qualified" teachers, we have consistently heard about the program "A Career in Teaching" in Corpus Christi and Houston and I have contacted them in the past for help. We are very much in need of their assistance and support.

Should you have any questions, please contact me at the above-referenced number.

Sincerely,

A handwritten signature in cursive script that reads "Dodi Cox".

Dodi Cox  
Assistant Superintendent for Human Resources
